Favors granted through the intercession of
Sister Marie de Mandat-Grancey

Name *John Jones*

Address *123 Main Street*

Anytown, NY

Petition prayed for: *Finding affordable house in a new town after relocation due to employment transfer.*

Describe manner of prayer (novena, group prayer, use of prayer card, etc.):

I was transferred by my employer from upstate New York to Long Island due to downsizing in our company. There were no houses in the immediate vicinity of my new employment site that I could afford to buy. After hearing about Sr. Marie and obtaining one of her prayer cards, my wife and I prayed a novena asking Sr. Marie for help.

Results of petition: *After praying a novena, using the Sr. Marie prayer card, and on the ninth day, we received word of an available house within 4 miles of my new place of employment. We were blessed with a quick purchase. As an added bonus, we are located within a top rated school district that will serve our children well. Thank you, Sr. Marie!!*
