Helpful hints for letter writing:

- 1) Clearly list your name, address and country at the top of the page.
- 2) State your hopes that the person to whom you are writing will help to open the cause of the beatification of Sr. Marie de Mandat-Grancey.
  - Tell about how your faith is edified to learn of her holiness as a young girl, young lady, and during her entire life of charity as a Daughter of Charity.
  - Tell how you treasure Sr. Marie's gift to us as Foundress of Mary's House and how grateful you are for her crucial, yet mostly unrecognized, role in finding Mary's House. Sr. Marie worked and sacrificed so diligently in her efforts to find Mary's House because of her deep love and devotion to Blessed Mother Mary. Then she devoted years of time, talent, and treasure to make it what it is today, a holy place where people of all faiths meet and pray for the cause of peace and brotherhood.
- 3) Relay any special story you have to tell about Sr. Marie, including but not limited to, any prayer favors you believe Sr. Marie has obtained for you.
