

Invite
Sister Marie
 to be...

**Patroness of your
 Prayer Group!**

Sister Marie is the Foundress of the House of Mary in Ephesus, Turkey. Read and print her biography and mission from www.sistermarie.com. Adopt Sister Marie into your prayer groups and families. Each time your group or family meets to pray please add the Sister Marie prayer using the prayer card which may be printed from our blog site in English and in various languages. We know it will be the prayers of the people that will bring forth Sister Marie to the Altar of the Saints. The voices of the people, Vox Populi, are heard in heaven! Please add your prayer group or family to the growing list that is being compiled from around the world. We need Sister Marie's help and she needs our prayers to accomplish the mission God has bestowed on her for our world in these times. Invite those who sign this form to visit the blog and print their own **Prayer Group Form** and work in their own area to fill it with Prayer Groups who pray to Sister Marie. Help us to cover the world in prayer through the intercession of Sister Marie! Heart to heart, prayer by prayer, the world will know and love Sister Marie and entrust to God their prayer petitions through the intercession of Sister Marie. Send your written testimonies of prayers favors received to the Sr. Marie de Mandat-Grancey Foundation (address below). Testimony submission information available at the web address.
