"The grace of our Lord be with us forever." ~ Sr. Marie

Would you like to learn about the life of this hidden nun, a Daughter of St. Vincent DePaul, who is recognized by the Church as the Foundress of Mary's House at Ephesus? Read the new internet blog dedicated to the Cause for Sister Marie at www.sistermarie.com

It is a source of much information about the House of Ephesus and Sister Marie's crucial part over one hundred years ago in this unfolding story that began *two thousand years ago!* Print a Sister Marie Prayer Card and pray with us! You will be united in prayer with Sister Marie, and many others all over the world, to God Our Father that His will for peace on earth be completely fulfilled through the intercession of Sister Marie. Sister Marie needs our prayers!

We believe that Sister Marie has a particular mission to accomplish for God in these times in this troubled and terrorized world! We believe her mission is to bring all of us spiritually to Mary, the Mother of Jesus, regardless of our religion and beliefs. Every time we pray the prayer on the Sister Marie Prayer Card our hearts and souls are united and placed inside the Home of Mary by the Foundress of Mary's House. The House at Ephesus, known in Turkey as *Meryem Ana Evi*, is a most blessed destination where Christians, Muslims, and Orthodox pilgrims pray peacefully side by side in the home of a Jewish Mother! As Foundress of the House of Ephesus long ago, Sister Marie has opened the door of Mary's House for us inviting and welcoming us all to enter and pray for unity and peace that is especially and desperately needed now in these times!

Visitors to the Sr. Marie blog may print unlimited Sr. Marie Prayer Cards!

Pray with us and Sr. Marie!
